Featured Title

It is called the bible of money poker players. Twice World Champion Doyle Brunson brings his proven strategy and wisdom to the average reader, together with contributions by five other experts. The games covered are Limit and No Limit Hold'em, 7 card stud high and low, draw poker and lowball. There's a lot of interesting reading about Brunson's personal and poker experiences, plus strategy and tactics for each of the featured games. This classic book will undoubtedly improve your game. Brunson is still a regular at the WSOP and consistently does well even at an advanced age.
